SOUTHERN BROKE VIOLENTLY

Rally Came Just at the End, But the Tone Was Feverish.

NEW YORK, January 16.—There was heavy liquidation of securities on the stock market to-day, due to the constant extension of the demand for new capital by the railroad companies.

Published remarks on the subject of capital requirements by President Thomas of the Lehigh Valley, and President Finley of the Southern Railway, were interpreted as threatening a necessity of greater outlay of earnings in improvements, owing to the difficulties in the way of raising capital.

The Southern Railway stocks broke violently, and the preferred stock, especially seemed to lack any bids for offerers pressed to sell.

Bonds were irregular. Total sales, par value, \$3,046,000. United States bonds were unchanged on call.

Money and exchange close: Money on call easy, 3 1/4 per cent.
